(2) The D/S letter does not answer all the points raised in the letter quoted above. It does not give any answer to the question whether the withdrawal of all the officers would not be undesirable.

(3) It does not also mention what the t. a. & D/ges will amount to. ~~In this~~ During the last sports, the t. a. was reckoned as amounting to Rs 1,900. This was when the sports were held in a central place like Bangalore. It is sure to be more if the sports are to be held at Mysore. The other expenses are roughly estimated to come up to Rs 1400.

(4) ~~The~~ Further no specific source of reappropriation has been provided out. In the absence of such specific source, the proposal is financially objectionable. This year, we have already to find Rs 40000/- by reappropriation for meeting the expenditure for t.a. in connection with the Viceregal visit. The question is pending consideration. It is unlikely that another Sum of Rs 7000/- can be met by reappropriation.

(5) If the proposal has to be sanctioned, the Financial Branch also will have to be consulted. The present file ~~sup~~ may be returned for the same.

No. 1594 / 120 Cons/ Office of the Inspr-Genl of Police in Mysore.

Bangalore, Dated 9th September 1915.

From

Diwan Bahadur
C. Srikantesvara Aiyar, B.A., B.L.,
Inspector General of Police in Mysore.

To

D. M. Narasinga Rao Esquire, B.A., B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore, General Department.

Sir,

I have the honor to report that as owing to the absence of the Imperial Service Lancers from the State, arrangements have to be made for a larger Police force at Mysore for work during the ensuing Dasara, I have ordered 20 constables and officers from each of the Districts to Mysore to be available for the various duties entailing on the Police during the procession and preceding days.

2. It seems to me that this mustering of the force from all parts of the State may also be taken advantage of for holding an athletic meeting for the Police, which is very desirable. I need hardly say that the main object of holding such meetings periodically is to raise a healthy spirit of emulation and comradeship amongst the members of the force and a feeling of an espirit de corps so beneficial to the individual, promoting also efficiency in the whole force. With this end in view, I am arranging

to hold the athletic meeting this year during the Dasara at Mysore, and enclose for information a rough programme of the events.

3. I am asking the Deputy Commissioners to send their Police Superintendents to Mysore, for a couple of days, to partake and assist in the working of the several items of the programme.

I have the honor to be,

sir,

Your most obedient servant,

Inspector General of Police.

Dear Narasimha Rao,

POLICE ATHLETIC MEETING - I find that on previous occasions Government sanctioned a couple of thousands of rupees for the expenses, besides the subscriptions collected from the officers etc. This time, however, the provision of Rs.420 made under the School Budget for sports and prizes will be utilised for the purpose. Laying out the grounds and getting up of the field etc used generally to cost about two or three hundred rupees. While at Mysore recently, I inspected the various grounds in company of local bodies concerned, and fixed up the police parade maidan to the West of the Public offices for getting through the preliminary heats. The finals will be arranged on the Gymkhana grounds with the gracious permission of His Highness the Maharaja. So I do not anticipate much expenditure on this score.

But some amount will be required for sundry other incidental expenses, and being an occasion when people from all parts of the State will be at Mysore, we have to provide some light refreshments to the guests etc. This may cost us about a thousand rupees in the long run, which being on the occasion of the Dasara and the very first instance of the Police meeting coming off at the capital, may, it suggests itself to me, be met from the Dasara charges, under Budget head XV G 10-Reception and entertainment of guests etc.

I am afraid this cannot be done
Dewan
30/9

If you would very kindly submit this matter for the consideration of Government and let me know their views, I shall address formally on the subject. If such provision is not feasible, it can be arranged for by reappropriation.

Yours sincerely,
